Leadership

Leadership Development

PROFILE

A relationship-focused full stack web developer, passionate about meeting real world challenges with practical solutions. Proficient in JavaScript and MERN stack libraries. Leadership experience from live event production and pastoral ministry. Fresh ideas, insightful perspectives, and attention to detail with every team or project.

EMPLOYMENT HISTORY

Ministry Director/Pastoral Leader, First Baptist Orlando, FL

Jan 2014 – Present

- Directed the activities of 50 weekly leaders and volunteers in a Christ-centered, broad-focus 12 step recovery program, creating an environment for positive change in relational hurts, emotional pain, or compulsive addictions of all kinds. Doubled weekly attendance to between 150 and 175 in 2 years.
- Created and led ministry opportunities for over 2000 men, including retreats, groups, and guest speakers.
- Trained technical production volunteers in console operation for audio, video, and lighting and best practices.

Production Coordinator, First Baptist Orlando, FL

Sep 2006 – Dec 2013

- Engineered sound and provided general AV support for 8-10 weekly services in a 10,000+ member church facility with multiple venues.
- Coordinated & scheduled volunteers and contract labor when necessary to meet the needs of events scheduled in the facility.
- Managed AV 2 major installation projects, maintained vendor relationships, and performed maintenance on installed AV systems.

Owner, Fresh Coconut Productions, LLC

Orlando, FL

Apr 2010 – Jun 2014

Satisfied over 100 clients with entertainment and production management in the Central Florida Area.

EDUCATION

University of Central Florida via Trilogy Education, Full Stack Web Development Bootcamp

Feb 2019 – Aug 2019

**University of Central Florida, BA, Radio & TV
Broadcasting**

Aug 2001 – Dec 2006

Major coursework in production, sales and management. Minor in general business.
